

Rising Tide Consultants Ltd. has recently joined the National Golf course Owners Association of Canada and as a member of NGCOA, we are thrilled to offer our services to the BC Chapter of NGCOA on all your liquor licensing needs. Recently, Bert Hick, President of Rising Tide Consultants presented to a Vancouver Island group of NGCOA members on liquor licensing and enforcement issues the challenges members face.

With more than 24 years of experience, Rising Tide Consultants Ltd. has an unparalleled understanding of municipal and provincial liquor licensing regulations, and a network of longstanding relationships with key government agencies and regulatory officials

We are a team of Licensing Specialists and offer personalized services in every aspect of liquor licensing. Whether you're starting a new venture in British Columbia's hospitality industry, are renewing a liquor licence or want to ensure you are leveraging the full revenue potential of an existing license — we can help. Our services include but not limited to:

- Changes to existing licenses
- New liquor license applications
- Annual license renewals
- Site review and planning
- Rezoning and development permit applications
- Buying and selling of licenses
- Government and community relations
- Conflict and enforcement resolutions
- Compliance audits
- Staff training and recruitment
- Liaising with engineers, designers, architects

We are available for a consultation on your liquor licensing requirements and look forward to the opportunity of discussing any challenges that you may be faced with. We have attached our company brochure with this letter for your reference, and we also invite you to visit our website at www.risingtideconsultants.com.

Please contact me if you have any further questions. We look forward to working with you and supporting the members of NGCOA.
