

“Erie to Ontario Waterways for Wildlife” Workshop

Business and Biodiversity in the Golden Horseshoe

March 20th, 2012

How does biodiversity conservation help your business and your community?

Did you know?

Numerous studies show that protecting open space can generate real economic benefits and improve the local tax base.

Carolinian Canada Coalition and our partners are working to engage corporate allies in building ecologically healthy, vibrant communities. Activities are catered to the specific needs and interests of your business. We will work with you to achieve your goals.

Come learn more about opportunities in your community.
